

BORAXTM GRANULAR

Product Number:

11950 - 16 ounce jar

Package:

11950/ 12 jars per case

Magic Borax GranularTM

INTENDED USES:

Borax Granular powder is an excellent, general purpose flux. Also excellent for glazing clay crucibles to extend crucible life.

USAGE INSTRUCTION:

Why to Use as a (Flux):

Used as a flux to prevent the oxides from building up while you're soldering gold and silver using this product as a flux will allow for a better bond at the joint by preventing the oxides to build up.

Why Use As A (Glaze):

Mix with denatured (or methyl) alcohol mix to be used as a barrier flux & glaze. This process protects sterling silver, brass, copper, nickel, bronze, gold, or silver filled pieces from fire scale during soldering.
